

VERNON IS HOST TO TEXAS PRESS

Yellow Bird Faring Well as It Soars Over Atlantic Ocean

HOME TOWN STUFF

This afternoon the Texas editors will invade the county seat of Wilbarger, arriving by special train from Wichita Falls about 5 o'clock. This will prove to be about the biggest party of its kind ever staged in Vernon. The writer of this column, Home Town himself, spent Thursday in Wichita Falls attending the convention of the Texas Press Association and will arrive with the editors this afternoon.

H. T. had two objects in making the first day's session. First he wanted to attend it, as is his custom every year, and next, he wanted to gather some first hand information for inclusion in today's stuff in order to introduce some of the most distinguished visitors in advance of their coming in order to make the affair a little more interesting to the home folks. H. T. got the idea a number of years ago while attending a circus. On each of the animal cages was a placard telling the name of the animal occupying that particular cage.

For a starter it might be well to introduce the president of the Association. He is a youngish-looking gentleman in all respects, except one—his hair, what there is left of it, is white. His name is Sam Miller, and his home is in Mineral Wells. He explains the seeming inconsistency of his white hair and youthful appearance by saying that he went to Mineral Wells a number of years ago quite old, say about ninety. By drinking the Mineral Wells mineral waters he has been reducing his age until he is now only thirty. His hair has remained white but he has regained his youth.

Next in order among the official family is Harry Schwenker of Brady. He is young both in years and appearance. Sam P. Harben of Richardson is the secretary. His figure is well rounded and he will be rather nattily attired. His age is not definitely known, but he has been secretary of the Press Association for twenty-two years. This is not his first visit to Vernon. He stopped here a couple of days last summer while on his way to Colorado. He said his car had broken down and was having it fixed at a local garage. He and Mrs. Harben were guests at the Nabers Street boarding house. After they left, the fare was rather thin for several days there, after for the regular boarders.

There are many celebrities in the press party. Jim Lowry of Honey Grove, famous as a humorist and as a protagonist of the life-giving qualities of buttermilk. Mr. Lowry can make a good speech or write a good article on most any subject, but he is at his best when extolling the virtues of buttermilk.

Joe J. Taylor, "State Press" of the Dallas News, will be present. He has never before visited Vernon. Like Mr. Lowry, Mr. Taylor has had a distinguished career as a humorist and orator, but he disagrees with the sage of Honey Grove as to the nourishing qualities of various fluids. Mr. Taylor is dean of the "pot licker" party. The biggest man in the entire delegation, speaking from a physical standpoint, will be Sam Fore, Jr., prominent South Texas Democrat and editor and publisher of the Floresville Chronicle-Journal. Mr. Fore and his family will return to Vernon after the close of the convention to pay a visit at the Nabers Street boarding house.

The small nervous individual who has the appearance of constantly going somewhere to see about something will be Denver Chesnut of Kennedy, a past president of the Association. Mr. Chesnut's nervousness may be better understood if it is (Continued on page four)

CONSUMPTION OF FUEL HIGH, SHIFT COURSE

French Trans-Oceanic Plane Reported Heading Toward Azores Because Gasoline Supply Dwindling at Unexpected High Rate.

(By The Associated Press)
Wireless reports from two ocean steamers today indicated the trans-Atlantic monoplane Yellow Bird was faring well on its air road from the United States to France.

The French line steamer Niagara reported that at six a. m., New York time, it was in communication with the plane and that all was well. Three hours later the Cunarder Laconia picked up the plane by radio and received the same encouraging report.

Position Not Given.
The Niagara was between 300 and 400 miles northeast of the Azores when she spoke to the Yellow Bird and the Laconia was 700 northeast of the islands when she raised the plane.

In neither instance did the Yellow Bird (Continued on Page Two)

THALIA LEASE TRADE ACTIVE

HUMBLE COMPANY BUILDS 5,000 - BARREL OIL STORAGE TANK

While construction of a 5,000 barrel storage tank by the Humble Oil Company continues at the Shell Petroleum Company's No. 1 Tarriver to care for the output of the well until the Humble pipe line is connected with the well, the survey of the line to the new oil well near Thalia near completion today, and work on the pipe line employing about 30 men will begin next week.

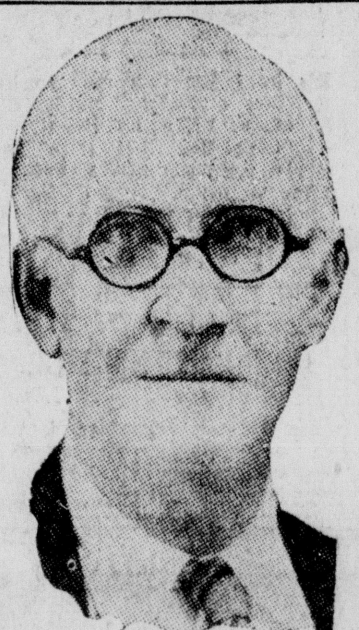

Activity increased in the Thalia district today with leases being made as far as six miles from the Shell Company's discovery well, in the northwest corner of section 3, G. C. & S. E. survey in Ford County. A lease was signed in Vernon this morning by M. C. Hammock and others for land on the I. W. Middlebrook farm, one mile north of Margaret and six miles from the discovery well. A block of acreage figured in the lease in Section 363, block A, H. & T. C. survey, Ford County.

The lease called for a well to be drilled to the 2,500-foot depth.

The discovery well continued flowing with good showing yesterday and further lease trading attracted large attention from local oil men.

The test drilled to 2,023 feet with nine feet of pay Monday and flowed 500 barrels.

TRIO KILLED IN GOTHAM BLAST

EXPLOSION IN DRY DOCK AS FIFTY MEN WORK ON SHIP TAKES TOLL

New York, June 14.—(P)—Three men were killed, two men were seriously injured and five others slightly hurt in an explosion in a Brooklyn dry dock today.

The cause of the blast was undetermined. The dead are: Thomas Kennedy, Christopher Kelly and Philip Burns, all of Brooklyn.

About 50 men were working in the bottom of the Robbins dry dock at the time of the explosion, scraping the starboard side of the tanker Gulf Penn.

It is believed a leak in one of the compressed air lines might have caused a pontoon, to explode.

WITNESS SAYS LAND REFUND CHECKS WERE KEPT ON HAND UNCASHED BY COMMISSIONER

Austin, June 14.—(P)—Refund checks drawn on the one cent acre reapportionment fund and endorsed back to J. T. Robinson, Land Commissioner, by land owners who desired to make him a present of their pro rata of the balance on hand after expenses were paid, were kept uncashed by him in a leather wallet.

This information was adduced from J. D. Hedrick, witness in the hearing on proposed impeachment charges before the House of Representatives.

Hedrick is receiving clerk at the Land Office and a life-long friend and associate of the Commissioner, he said.

"I saw a great number of checks which had been returned to him after he had sent them out as refund," Mr. Hedrick testified on cross-examination by former Senator Lloyd Price. "They were in his desk in a little leather wallet, which he told me his father carried as a Confederate in the Civil War. He had not cashed them."

BOX ADVOCATES RASKOB OUSTER

SCORES WET INTERESTS IN SPEECH MADE TODAY IN HOUSE

Washington, June 14.—(P)—Democrats of the country were urged today by Representative Box of Texas, assistant House Democratic leader, to take their party control out of the hands of John J. Raskob, chairman of the national committee.

In his second speech on this subject since the last presidential election, the Texan, who supported Alfred B. Smith, as the Democratic presidential candidate, charged in the House that Raskob and his associates were seeking to change the party into an instrument of the association against the prohibition amendment and make it "merely the organization of the liquor and anti-restriction blocs."

GOOD WILL TOURISTS GO WITH FIRST COTTON BALES

Galveston, June 14.—(P)—A special train carrying Galveston's first bale of cotton of the 1929 season and 150 good will tourists left here today for Memphis, Tennessee. A local baseball team and band was aboard the special which will visit point in East Texas and Arkansas en route.

VENUE CHANGE TESTIMONY IS OFFERED FOR HAMILTON

Amarillo, June 14.—(P)—Witnesses continued today to give evidence that such prejudice existed in Potter County that R. H. Hamilton, who killed his son-in-law, Tom Walton, Jr., could not obtain an impartial trial. They were called in effort by defense counsel to remove the case from Amarillo.

Their opinions that a fair trial was not possible, the witnesses testified, were based upon statements of sentiment against Hamilton from persons with whom they had come in contact since the killing in Hamilton's office.

Witnesses declared general opinion is that Hamilton is guilty of an atrocious murder, and that he should be sent to the electric chair or the penitentiary for life.

Thirteen representative citizens were called to the stand this morning, making a total of 29 who had testified since the hearing on a change of venue started yesterday.

Their acquaintances, they said, come from all classes and all sections of the county, and all were agreed that Hamilton could not get an impartial trial in Amarillo.

FRANCE READY TO GREET ACES

BIG CROWD GATHERS AT LE BOURGET AWAITING YELLOW BIRD

Le Bourget, France, June 14.—(P)—A crowd numbering at least a thousand and assembled by mid-afternoon to await the Yellow Bird at the famous Le Bourget flying field where Col. Charles A. Lindbergh made his dramatic landing two years ago on his New York-to-Paris hop.

A hundred police reinforced the regular guards and cleared the field early in anticipation of a great throng to greet the French flyers.

The field will be guarded this evening by a large force of additional policemen. The 34th regiment of aviation will throw a cordon around the landing place upon which searchlights will be trained as a guide to the eagerly awaited airmen.

BALE OF COTTON SENT TO NEW YORK BY PLANE

Corpus Christi, Texas, June 14.—(P)—Carrying the first bale of cotton received here this season, an airplane left today for New York in an effort to place its cargo on the floor of the exchange before a bale sent by express from Galveston arrived.

The cotton was purchased at auction by the Chamber of Commerce at \$1 a pound. It was grown at Edcouch by S. L. Hensen and ginned there Wednesday.

The plane—"Port of Corpus Christi First Bale Cotton Special"—was expected to reach Atlanta tonight, after stops at New Orleans and Montgomery, and New York tomorrow afternoon.

250 DELEGATES TO BE GUESTS AT BARBECUE

Special Train to Bring Visiting Editors from Golden Jubilee Convention Sessions at Wichita Falls—to Spend Several Hours Here.

Approximately 250 delegates to the golden jubilee convention of the Texas Press Association meeting in Wichita Falls will visit Vernon this afternoon, arriving about 5 o'clock by special train, according to the schedule planned. The excursion to this city has been planned as one of the features of the entertainment for the convention, and the editors will be special guests of the Chamber of Commerce at a barbecue dinner and informal program at Hill Crest club this evening.

Citizens of Vernon are to meet the special train at the depot with automobiles to transport the visitors to the business district where they will be given an opportunity to visit with Vernon merchants and friends for about forty-five minutes. Following a brief eight-mile tour of the city, the delegates will be taken to the country club for the barbecue, which will be followed by an informal reception and dance. They will leave for Wichita Falls about 9:30 tonight.

The barbecue will be served at 7 o'clock. The Vernon Chamber of Commerce is offering three prizes of \$25, \$15, and \$10 for the best stories about Vernon published by the editors in their papers.

The Vernon Chamber of Commerce is working with Albert E. Kelly, chairman of a Wichita Falls committee in planning the entertainment for the visiting delegation while in north Texas. The editors were the guests of the Wichita Falls Record News and Daily Times at a luncheon today at noon.

The convention will close Saturday with election of officers for the next year and selection of the 1930 meeting place, offering the main part of the program.

BRITISH CROWD GREET DAWES

NEW AMBASSADOR GIVEN WARM WELCOME AT SOUTHAMPTON

Southampton, England, June 14.—(P)—Ambassador Charles G. Dawes, newly accredited to Great Britain, today accepted the welcome of this city on disembarking from the liner Olympic and immediately declined to be interviewed.

General Dawes expressed his delight over coming to England as the American ambassador, but would make no disclosure of any message he might be bearing from President Hoover to Premier Ramsay MacDonald.

General Dawes confirmed news of his plan to go Saturday night to confer with Premier MacDonald in Scotland. He said he would present his credentials tomorrow to King George at Windsor.

The new ambassador was cheered by hundreds of Englishmen as he left the Olympic to take the train to London.

DALLAS OIL MAN INDICTED ON CRIMINAL LIBEL BILL

Dallas, June 14.—(P)—An indictment charging C. D. Neff, Dallas oil man, with criminal libel was returned today by the Dallas County grand jury. Neff was said to have written a letter to Representative George Purl declaring that those in charge of administering the blue sky law as Austin were corrupt in their official conduct. An investigation was made and the accused officials cleared. Several of the officials testified before the jury.

MEXICANS PRAYING FOR CHURCH ROW SOLUTION

Mexico City, June 14.—(P)—Thousands of Mexicans streamed through the priestly Mexican churches today kneeling and praying for a happy solution of the national religious problem on conference under way at Mexico City.

With arrival of Archbishop Ruiz M. Flores from the United States last Saturday, for negotiations to settle the long standing controversy, the visits to the churches increased.

SOONER CATTLE JUDGERS WIN

OKLAHOMANS ARE FIRST IN INTERNATIONAL JUDGING CONTEST

Stillwater, Okla., June 13.—(P)—A cablegram received here today from London said the Oklahoma Dairy Cattle Judging Team, composed of Holland Williams, of Altus, Harold Woodson of Comanche, and Forest K. Byrns of Hillsdale, won first place in the international contest in which the team represented the United States. The British team placed second.

LOCAL BRIEFS

Dr. E. B. Jones of Vernon was in Dallas yesterday on business.

J. A. Dixon has returned from a business trip to Dallas.

Mrs. H. W. Shirley of Childress, is the guest of her sister, Mrs. Laddie Johnson.

Mrs. B. D. Flaniken, who has been visiting this week in Dallas, is expected to return home Sunday.

Mr. and Mrs. J. N. Wright and children, are visiting relatives in Mount Pleasant and Whitesboro.

Miss Roberta Woolfork of Vernon returned yesterday after a visit with friends in Olney and Gainesville.

Mrs. J. J. Summers of Quanah is visiting her daughter, Mrs. E. O. Youngblood of Vernon this week.

Mrs. Maxine Carrington of Oklahoma City, is visiting Mr. and Mrs. J. T. Carrington of Vernon this week.

Floyd Cloud underwent an appendicitis operation at a local hospital Thursday night.

Miss Helen Boykin of Beaumont, arrived Thursday to be the guest of Miss Mary Jeannett Bennett and Miss Josephine Flaniken.

Miss Hattie Weatherall, teacher in Port Arthur schools, has arrived in Vernon to spend the summer with her father, J. T. Weatherall.

Mrs. Frazier Bell has returned from Wichita Falls and Iowa Park, where she has been visiting relatives this week.

James Newth and J. L. Ashbey of Vernon left Thursday for the plains where they plan to work in the harvest.

Lee Weatherall of Port Arthur, is visiting in Vernon with his grandfather, J. T. Weatherall, and other relatives.

Mr. and Mrs. W. O. Beall and family of Petrolia, are visiting in Vernon with his sister, Mrs. M. C. Culbertson, and family.

Miss Virginia Sewell and Miss Frances Murchison returned home Thursday afternoon from Quanah, where they have been visiting friends.

Mrs. Ray S. Carney and daughter, Betty Ray, of Robstown, are visiting in Vernon with J. A. Carney, and family.

Mr. and Mrs. W. T. Berry and children, Miss Ruth Carney, and J. A. Carney, visited in Wichita Falls Thursday.

Paschal Kayse and Dick Ray of Vernon left today for California where they plan to spend the summer. Kayse will go to Ector and Ray to Los Angeles.

Miss Margaret Mosely and Miss Mary Helen Mosely of Quanah, arrived this morning to spend the week-end with Miss Virginia Sewell and Miss Frances Murchison.

A. O. Kaltwasser has returned from Theological Seminary, Springfield, Ill., where he is a student, to spend the summer with his parents, Mr. and Mrs. J. A. Kaltwasser, who lives near Lockett Community.

Chester Luttrell will leave tomorrow for Denton where he will spend the week-end with his mother, Mrs. T. L. Luttrell, and his sister, Lola, who is attending North Texas State Teachers College.

Miss Eva Stephens returned home Thursday from a two week's visit with relatives in Norman, Okla. She was accompanied home by her aunts, Mrs. S. H. Peters and Mrs. C. A. Richards, and cousin, Miss Florence Richards, who will visit here awhile.

MANY LAWYERS INVITED TO TEXAS BAR MEETING

Amarillo, Texas, June 14.—(P)—Seven thousand Texas and New Mexico lawyers have been invited to the Texas Bar Association meeting here July 4-6.

The New Mexico Association is to hold its meeting with the Texas bar-risters, and the district and appellate judges are to convene at the same time. Governor Dan Moody is expected to be a speaker.

Mr. and Mrs. Ajax!

Consumption

(Continued from page 1.)

Bird give her position, and as it had a radio range of 600 miles, its position could not be accurately plotted from the positions of the steamers.

But an earlier report from the French liner Rochambeau had said the plane had decided to take the southern route by way of the Azores and Portugal, so it was supposed she was somewhere between the Azores and the mainland when she communicated with the Niagara and the Lancia.

Takes Southern Course.

The Yellow Bird told the Rochambeau it was taking the southern course because of an unexpected high rate of gasoline consumption. From the fact that it made no mention of its fuel supply in its later communications, it was believed a check of the tanks had been required. Aviators were at a loss to explain the unexpectedly high consumption of fuel reported by the Rochambeau. The Yellow Bird had been flown repeatedly in test flights and the rate of consumption was supposed to have been definitely determined. Weather reports indicated a favorable wind had been encountered, so strong head winds could not be blamed.

One possibility considered in some quarters was that the added weight of a stowaway rumored to be on board the plane had been enough to upset the calculations on fuel consumption and cause the engine to burn more than the expected amount.

New Steamer.

Galveston, June 14.—(P)—The Morgan line will bring out an additional steamer, the El Norte, to handle heavy seasonal movement between Galveston and New York. This addition will bring the fleet to nine ships, which are taking periodic cargoes of Texas onions, mohair, wool and lumber products.

Oct. (new)	18.90	18.66	18.69-71	18.87	
Dec.	19.12	18.82	18.80-83	19.02	

Opening: Jan. 19.10; March 19.25; May 19.33; July 18.75; Oct. (old) 18.92; Oct. (new) 18.93; Dec. 19.00.

New York, June 14.—(P)—Cotton opened steady at an advance of 5 to 8 points and sold about 8 to 10 points net higher immediately with July advancing to 18.77 and December to 19.12. The buying was attributed chiefly to covering in anticipation of bullish consumption figures and a bullish government report on boll weevil emergence. The advance met realizing, and prices eased off 4 or 5 points by the end of the first half hour.

New Orleans.

	High	Low	Close	P.C.

Kansas City.

Kansas City, June 14.—(P)—Hogs: 7,500; 300 direct; 15 to 35c lower; top 10.05 on 190 to 215 lb. weights; packing sows 8.75 to 9.75. Cattle: 500; calves: 200; steady to strong; slaughter steers, good good and choice 9.50-10.00 lbs. 13.25 to 15.00; fed yearlings, good choice 7.50-9.50 lbs. 13.25 to 15.00; cows, good and choice 9.50 to 12.25; vealers

(milk-fed) medium to choice 9.00 to 14.00. Sheep: 1,500; fully steady; lambs, good and choice (150 lbs. down) 4.50 to 6.25.

GRAIN

Chicago, June 14.—(P)—Helped by prospective speedy enactment of the farm relief bill, wheat prices today took an early swing upward. Opening at 1-4c to 7-8c advance, the wheat market afterward scored additional gains. Corn and oats were likewise firmer, with corn starting 1-8c off to 7-8c up, and subsequently showing a rise all around. Provisions tended downward.

POULTRY

Chicago, June 14.—(P)—Poultry weak; broilers 34 to 35; roosters 20; turkeys 22 to 30; ducks 17 to 20; spring ducks 28; geese 15; spring geese 25.

BUTTER AND EGGS

Chicago, June 14.—(P)—Butter lower; creamery extras 42 3-4; standards 42 1-4; extra firsts 41 1-4 to 41 3-4; firsts 39 1-2 to 40 1-2; seconds 38 to 39. Eggs lower; extra firsts 30; firsts 29 to 29 1-2; ordinary firsts 27 to 28 1-2; storage packed firsts 30 1-2; storage packed extras 31.

SENATE GETS PLAN TO LIMIT TARIFF REVISION

Washington, June 14.—(P)—The resolution of Senator Borah, Republican, Idaho, to confine the tariff bill in the Senate to revision of the rates on farm products alone was laid before the Senate today with prospects of an immediate vote in doubt.

Scouts, But What a Difference!

It's hard for this pair to keep step on a Scout hike! Philip Needham, 17, and Gilbert James are both Boy Scouts in Terre Haute, Ind., but Philip is six feet seven inches tall, while Gilbert is only four feet three inches short. One weighs 175 pounds, the other 68.

PIONEER FREIGHTERS TO HOLD REUNION SATURDAY

San Antonio, June 14.—(P)—Coming from cities once outposts on the frontiers of civilization men who blaz-

ed the trails when the state was in the making are gathering here for a reunion Saturday. They are members of the Pioneer Freighters' Association. Plans for the reunion to be held at San Pedro Park are to surpass anything that has gone before.

DALLAS MAN IN HOSPITAL AFTER ATTACK BY TRIO

Dallas, June 14.—(P)—Winston Sadler, 23, was in a hospital here today in a serious condition after being beaten by three men at Carrollton Dam, north of here, last night. Friends said Sadler was on a picnic when the men drove up in an automobile and attacked him. They said the men appeared intoxicated.

MUEBSTER OIL FIELD AT GAINESVILLE IS EXTENDED

Gainesville, Texas, June 14.—(P)—The Muebster Oil Field, 16 miles west of Gainesville, was extended one and a half miles northeast by the completion today of a well on the John Haverkamp farm. Oil of 37 degree gravity was found at 754-759 feet, with the production estimated at 40 barrels daily.

PROPOSES BOULDER DAM WATER GO TO ARIZONA

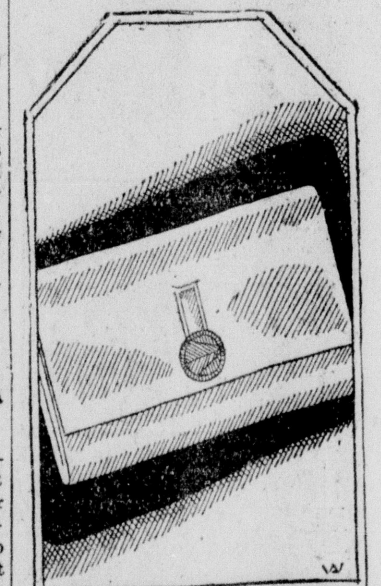

Washington, June 14.—(P)—A suggestion that the million acre feet of water referred to in the Boulder Canyon dam act and tacitly understood as the Gila River should go to Arizona was presented today at the closing session of the tri-state Colorado River Conference by chairman William J. Donovan.

Building Program Now Under Way in Vernon Involving \$400,000 To Be Completed Before October

The building program now under way in Vernon involving work on a number of buildings with an aggregate value of nearly \$400,000 will be completed by October 1, according to estimates given by the contractors, builders, and the figures used in the building permits. Permits totaling \$197,100 were issued in May and most of the work is now under construction, although work on some larger structures started several months ago.

The new municipal building costing \$100,000 is to be completed about July 1, although earlier estimates indicated that the building would be ready about June 20. Delay in placing the marble along the walls of the building caused postponement of the completion date. The municipal building is a three-story brick structure, with ample room for the entire city official family for many years to come. The third floor is taken up with an auditorium which will seat over 700 people.

The new Methodist parsonage for the presiding elder of the Vernon district, located on Wilbarger Street, costing \$12,000, is due to be completed shortly.

The new home of the Gray-Henry Company, Dodge agency, on Marshall and Fannin streets is to be completed about July 1. A. A. Hingst, builder, said today, although the contract al-

lows until July 14. It is a brick structure. The Vernon retail home of the Montgomery-Ward company is nearing completion and is to be ready for occupancy about July 15. The building is a three-story brick structure on Fannin Street and is being built by Mrs. Elizabeth Herring of Amarillo. It is to cost approximately \$50,000.

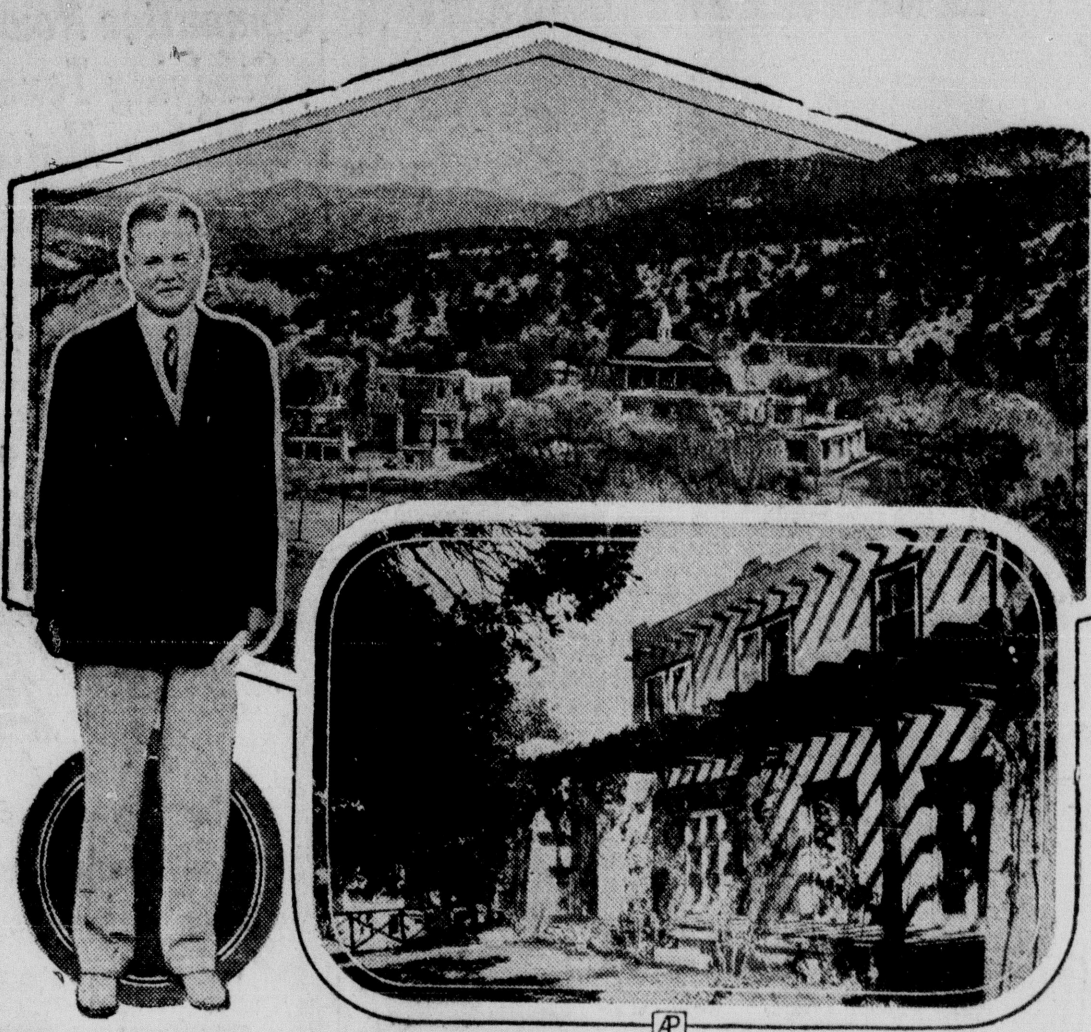

Vernon's new \$150,000 high school is taking form slowly east of the present building on Yamparika Street. The building is to be ready for occupancy about October 1. The present high school will be used as a junior high school building.

Several brick and frame residence buildings are well under way, and are due to be completed this month.

DENISON AVIATORS HELD FOR THEFT OF PROPELLOR

Gainesville, June 14.—(P)—Charges of theft of over \$50 have been filed here against Clement L. Petot and Ralph McClung of Denison in connection with the theft of a propeller and other airplane equipment belonging to George and Emmett Cassady of Gainesville. The Denison men, both aviators, were arrested last night.

Southwest Invites Hoover For Vacation

President Hoover has been invited to spend his summer vacation at Bishop's lodge near Santa Fe, N. M. The lodge is shown nestling among the foothills of the Santa Fe mountains. Inset shows one side of the main house.

Santa Fe, N. M., June 14.—(P)—An invitation to return this summer to the scene of his first jobs of a mining engineer has been extended President Hoover.

On his summer vacation, he has been urged to visit again the ancient capital of Santa Fe where he last spent three months in 1922 as a member of the Colorado River Commission.

As a young mining engineer, after his graduation from Leland Stanford University, the President went to New Mexico on an assignment to practice his profession.

Although he has given no indication whether he will accept the invitation, the President has made known that he would like to go to his home in California. If he does, Senator Cutting and Representative Simms, New Mexico, and Governor R. C. Dillon, who formally extended the invitation, hope he will find the opportunity to stop off in their state long enough at least to attend a celebration at old Mesilla, N. M., of the consummation of the Gadsden purchase 75 years ago.

Senator Cutting told the executive that Bishop's lodge, where he lived in 1922, again would be glad to welcome him for so long as he might decide to stay. The lodge is near Santa Fe and from its porches the snow-capped peaks of the Sangre de Cristo mountains may be seen. Their highest

point is 13,700 feet above sea level. There are many points of interest in Santa Fe itself, including a new state capitol and San Miguel Roman Catholic Church, said to be the oldest church in America. The city claims to be the oldest on the American continent, having been permanently settled in 1543. It has a population of 12,000.

Twenty miles west of the town is the Pajarito Cliff Dwellers park where nearly 20,000 Indian habitations reveal how a prehistoric civilization looked.

As another inducement, Senator Cutting told the President "no better trout fishing exists on the continent."

MANAGER OF AIRWAYS DIES AFTER PLANE CRASH

Havana, June 14.—(P)—General George Taylor, 64, operations manager of the Pan American Airways, Inc., at Port Au Prince, Haiti, and former United States army officer, died yesterday of injuries received in an airplane crash earlier in the day.

Longview, Texas, June 14.—(P)—On June 15, sixty-one East Texas counties are to launch the annual East Texas Chamber of Commerce membership drive. R. M. Kelly, membership and finance committee chairman, has announced. More than 2,500 workers are to participate.

New Type of Air Indicator Devised by Vernon Man

A new type of wind indicator is being constructed in Vernon by the Reis Welding Machine Shop for the Vernon airport. H. M. Reis designed the indicator and will apply for a patent. The indicator is to be placed at the Vernon airport in time for the dedication ceremonies on July 4. Mr. Reis said today. The device will extend 45 feet above ground and will be placed on a frame of steel posts. An extension carrying the wind-sock direction indicator is placed in the ground frame and works on ball bearings. It is painted black and yellow to enhance visibility. The indicator has an arrow opposite the sock-ring working something like a weather vane. A second arrow is also placed above the frame work pointing upward.

Construction of the frame work of the new all-steel fire-proof hangar at the Vernon Chamber of Commerce airport will be started about the first of the week by W. H. Allen, contractor of Wichita Falls. M. K. Berry, chairman of the airport committee, said today. The pouring of the concrete foundations is being completed this week.

The contract for the Vernon airport hangar calls for a structure costing \$4,100. The airport is located five miles south of Vernon. The hangar was designed by R. H. Stuckey, architect of Vernon.

BANDITS ALMOST DESTROY CHINA VILLAGET BY FIRE

Amoy, Fukien, China, June 14.—(P)—Refugees arriving here today from Hewian-Hsien, 60 miles inland, said bandits had almost destroyed their village by fire, had killed 100 residents and were holding prominent citizens for ransom.

GAIN RECORDED IN LINT USED

CONSUMPTION IS GREATER THAN PREVIOUS MONTH OR MAY OF 1928

Washington, June 14.—(P)—Cotton consumed during May totaled 668,229 bales of lint and 80,145 of linters, compared with 661,710 of lint and 79,008 of linters in April this year and 557,384 of lint and 62,836 of linters in May last year, the Census Bureau today announced.

Cotton on hand May 31 was held as

follows:
In consuming establishments 1,477,308 bales of lint and 231,589 of linters, compared with 1,330,880 and 211,141 a year ago.
In public storage and at compresses 1,847,583 bales of lint and 78,438 of linters compared with 2,258,763 and 59,399 a year ago.
Imports during May totaled 42,436 bales, compared with 19,842 in May last year.
Exports during May totaled 313,003 bales of lint and 15,009 of linters, compared with 573,403 of lint and 12,942 of linters in May last year.
Cotton spindles active during May numbered 30,910,282 compared with 28,948,144, in May last year.

FARM RELIEF BILL MINUS DEBENTURE APPROVED

Washington, June 14.—(P)—In line with the decision of the House and concurring in views of President Hoover, the joint Senate and House farm conference committee today approved a farm measure minus the controversial debenture proposition.

The two houses still must ratify the action of the conference, but leaders said they would press for immediate disposal in both chambers and predicted that before nightfall the farm measure would be on its way to the White House.

Under ordinary conditions, a conference report must lie over for a day before action, but in this instance unanimous consent is expected to be asked to expedite procedure.

In keeping promises not to insist upon the debenture if the House rejected it, members of the conference committee favoring retention of the law—Senators Norris of Nebraska and Smith of South Carolina—signed the conference report.

Niece of Hoover Works in Store

New System of Handling Cotton in Texas Adopted

Dallas, Texas, June 14.—(P)—The Farmers Marketing Association has adopted a new plan for handling cotton. W. B. Yearry, president, has announced.

The directors contracted with M. H. Wolfe cotton factor, to act as general sales agent for all of the association's cotton and a director of organization, which has a state charter, will contract with individual farmers for the sale of their cotton, each such farmer automatically becoming a member of the organization.

The contract which the farmer is to sign reads, in part:

"All parties who accept this proposal of the association hereby agree to deliver all or a part of their cotton to the association for sale, which cotton will be warehoused at interior towns where owners reside, or shipped to the association at Dallas, Houston, Galveston or other points designated by the association. This may be done by local organizations or by individuals.

"The owners of cotton accepting this proposal to agree to furnish the association promptly with samples, which cotton will be sold or held in

Labor's "Big Five" in Britain

They were expected to comprise part of Great Britain's new Labor cabinet. J. Ramsay MacDonald, center, Labor leader, accepted the premiership following the victory of his party in the general elections, and these other Labor chiefs are slated for posts in his ministry: Philip Snowden, upper left; J. R. Clynes, upper right; Arthur Henderson, lower left; and Sam M. Braswell, lower right.

accordance with and under the instructions of the owners.

"Owners of such cotton who wish to borrow money against their cotton will agree to communicate with the association and arrange finance upon such terms as the association may set forth from time to time.

"Owners of cotton accepting this proposal agree to leave on deposit with the association the sum of \$2 per bale out of the proceeds of each bale sold by the association, with the understanding that the actual cost of handling and selling will be paid out of that \$2, and the balance placed to the credit of the owners of the cotton on the books of the association, to be used, at the discretion of the directors, for the purpose of creating a permanent financing and marketing system for the handling of cotton."

Home Town Stuff--

(Continued from page 1.) stated that Kennedy is known as a six-shooter junction. In good times when the people are busy with their crops and trade is good in town, they don't have more than two or three shootings a week in Kenedy. Kenedy might be called the Paducah of South Texas.

Ed Carlock of course is from Paducah. He is known already to many of our Vernon citizens. Mr. Carlock is past president of the Association, and strange as it may seem, he has lived many years in Paducah.

Another notable in the group will

be Sam M. Braswell of Clarendon. He, too, has frequently visited Vernon. He is also a past president, and may be recognized by his Ed. V. Price appearance. You know the look, rather low, rotund figure, smiling countenance and a tendency to baldness, so far as hair is concerned.

There will be many, many others. It is impossible in the space of this column to catalogue all the notables of the Texas Press. It would be as voluminous as "Who's Who in America" or the society blue book of New York. They are a great bunch of people, these editors and publishers of Texas newspapers. Vernon is happy over the privilege of having them pay even a short visit to Vernon. H. T. is afraid some of the smartest ones will want to come to Vernon and start a newspaper.

SIEGE OF FRENCH POST ON MOROCCO IS RAISED

Tangier, Morocco, June 14.—(P)—The Siege of the French post Falt Yakoub has been raised after a number of attacks by the rebel tribesmen, the correspondent of La Nation of Buenos Ayres learned today. Reinforcements arrived in time to save the post from falling into the hands of the rebels.

A fleet of French airplanes took part in the engagement, heavily bombing the rebels. Losses on both sides have been considerable.

Use Vernon Record want ads.

Committee Now Studying Texas Money Matters

Austin, June 14.—(P)—Work of sandpapering the general appropriation bills is now in the hands of a conference committee, both houses having passed them and refused to

concur in amendments. There is a difference of about \$12,000,000 between the Senate and House.

The Senate's total of approximately \$58,000,000 exceeds the state's anticipated revenue by only \$4,000,000. Senator Tom Pollard of Tyler, chairman of the finance committee, stated. He declared the State Treasury would receive \$54,000,000 in revenue during the two-year period beginning Sept. 1.

"If the automatic tax board will cease playing politics and levy a 35 cent maximum tax, we will have

plenty of money to finance this state," Senator Pollard said. With less than half of the 30 days special session gone, both houses have made rapid progress, and unless the Robison impeachment hearing consumes too much time it is believed the state's business can be wound up in a single session.

Mr. and Mrs. J. M. Brown and son, Johnnie, of Claremore, Okla., and Mrs. Dora Hankins of Skitook, Okla., are visiting in Vernon with Mr. and Mrs. J. R. Griggs.

SOCIETY

Choirs of Youth of Presbyterian Church Will Be Presented in Their First Public Appearance Sunday

The Choir of Youth of the Federated Presbyterian Church of Vernon will be presented in their first church service performance Sunday evening at the church since organization May. Mrs. W. T. Elliott is director of the four divisions of the choir, which includes the primary choir, the Junior boys' choir, the Junior girls' choir, and the Mendelssohn Choir.

These choirs rehearse separately but all together at the regular church services and are vested. They are given the privilege of taking the place of the adult choir of the church at evening service once a month with processional and recessional hymn responses, and two or three special numbers, and sing at other services on request. The hymns that are taught the children are simple but the quality of the tone, the perfect pronunciation and true interpretation of the hymns are emphasized in the teaching.

The message of the hymn is taught first and then its relation to the Bible as to a church service. The organization of the choirs was perfected in order to create interest among the young people of the church and to develop material for the regular church choir in the future.

The primary choir is composed of children 6, 7 and 8 years of age. They meet for rehearsal each Wednesday afternoon. The second division is the Junior boys choir, which is composed of boys from 9 to 13 years old, and meets on Thursday afternoons, while the fourth choir, the Mendelssohn choir, is composed of girls and boys above 12 years of age. At present this choir is rehearsing on Thursday with the Junior girls.

Members of the choirs who have attended more than one rehearsal are: primary, Peggy Jane Long, Ruth Laverne Irick, Betty Jean Long, Madeline Grace Weath, Lucy Katherine Sharp, Mary Beth Wilson, Geraldine Sharp, Billy Roddy, Kenneth Elliott, Charles Sullivan, James Sullivan, J. J. Slaughter, Leroy Smith, Junior boys, Edward St. John, Hal St. John, Bruce Elyea, Herman Still, Frank Long, Cy Long Jr., Charles Earnest Meyers, Ben Elliott, Edward Pace, Clint Pace, Richard Elliott, Billy Bond; Junior girls, Mary Jo Muller, Gwen Roddy, Mary Virginia Frierson, Helen Christine Smith, Eddie Mae

Matthewson, Roy Eleanor Longino, Winnie D. Crawford, Mary Elizabeth McNutt, Helen Thompson, Vera Storey, Mendelssohn, Dorothy Crawford, Frances St. John, and Dorothy Faye Lisman.

VERNON ELKS TO HONOR COLLEGE STUDENTS TONIGHT

The Vernon lodge of Elks is entertaining the college students of Vernon who have returned home for the summer vacation with the annual home coming dance this evening at the lodge hall on Main Street. The affair promises to be one of the most entertaining features of the year's program outlined by the social committee of the lodge.

Charlie D. Sautelle and his Royal Terrace Orchestra of Cincinnati, Ohio, has been booked to furnish music during the evening. The orchestra, an eight-piece organization composed of vaudeville entertainers and radio artist, is one of the most widely known of the recording orchestras playing summer engagements in the south. They were secured for this dance through the routing of the orchestra to Colorado Springs, Colo., to fill a summer contract, and agreed to stop in Vernon for this engagement.

MISS CARNEY IS HONORED WITH SHOWER THURSDAY

Miss Ruth Carney, bride-elect of Rev. H. H. Hamilton of Texline, was honored at a surprise miscellaneous shower given by a number of her former school mates and girl friends at her home, 1503 Mesquite Street, Thursday evening. The girls met and went in a body to the Carney home, and surprised Miss Carney with the call and shower of gifts.

The girls were: Miss Dorothy Eakle, Miss Veda Huddleston, Miss Louise Smith, Miss Mattie Smith, Mrs. Harold Parsley, Miss Minnie Ferebee, Miss Mary Tom Lamar, Miss Lora Leverett, Miss Helen Eakle, Miss Lena Tolbert, and Miss Cash Burgess.

Mrs. Wilson Is Elected Teacher of P.-T. Course

Mrs. George H. Wilson Jr., was elected teacher of the Parent-Teacher Association study course at the first meeting of the P.-T. A. members at Allingham Park Thursday afternoon for the first study of the summer course. The course is prepared and sent out to local associations by the Texas Congress of Mothers and Parent-Teacher Associations, and upon completion of the course and examinations, certificates will be issued by the state association.

The ground voted at the meeting Thursday to meet each week during the summer on Friday afternoons promptly at 4 o'clock for about an hour and a half of study. Anyone who is interested in the P.-T. A. work is urged to attend the meetings.

Mrs. A. E. Traeger was elected chairman of the study group, Mrs. A. H. Newsom, secretary, and Mrs. E. G. Mathewson, the assistant teacher. Mrs. Wilson taught the first lesson of the course during the afternoon, and the meeting was closed.

Those present were: Mrs. H. L. Terhune, Mrs. H. L. St. John, Mrs. Z. P. Pilgren, Mrs. John Nabers, Mrs. George H. Wilson, Jr., Mrs. S. E. Porterfield, Mrs. A. E. Traeger, Mrs. Porter Stinnett, and Mrs. A. H. Newsom.

COUNTY RURAL CLUBS TO SEE PICTURES SATURDAY

Rural club women of the county and other country boys' and girls' clubs will be entertained with picture slides in the assembly room of the county court house Saturday afternoon at 2:30 o'clock. Miss Emma Gunter, home demonstration agent, announced today.

Agricultural and scenic slides will be shown on a screen prepared for the picture show in the assembly room, Miss Gunter said. There will be no charges to the show.

Tharon Webb Jr. Is Complimented on Fifth Birthday

Complimenting her son, Tharon Jr., on his fifth birthday, Mrs. T. T. Webb, entertained a number of little guests Thursday afternoon with a party at her home on Houston Street. The dining table of the home was beautifully decorated with roses and honeysuckles and with pink and white streamers extending from the chandelier to the table. A large white cake topped with five candles also adorned the table. Little cupid dolls were given as favors to the guests.

Several games were played throughout the afternoon, after which refreshments of cake and Dixie cups were served. The little honoree received many lovely birthday gifts. Mrs. Webb was assisted in entertaining by Mrs. Bert Belcher, Mrs. Laddie Johnson and her sister, Mrs. H. W. Shirley of Childress. The hostess' father, C. H. Hardy, was also a guest of the party.

The little guests were: Thazra Lyles, Theodora Ashby, Billy Jean Wisdom, Curtis Daniels, Bonnie McKnight, James Belcher, Jack Williams Jr., Jack Cain, Cecil Wynn, K. C. and Dorothy Jean Gray, Irela Johnson, Dorothy Helen and Joe Ann Perry, Helen Faye Martin, and the honoree, Tharon Jr.

4 tablespoons cold water
3 egg yolks
2 cups milk
1-2 cup sugar
1-4 teaspoon salt
1 teaspoon vanilla
1 cup broken macaroons
3 egg whites, stiffly beaten
1-2 cup diced fruit (any kind)
Soak the gelatin in cold water for 5 minutes. Beat the egg yolks and add the sugar, salt and milk. Cook in a double boiler until hot. Stir constantly. Add the gelatin mixture and stir until it has dissolved. Cool, beating frequently. Fold in the rest of the ingredients and pour into a mold, which has been rinsed in cold water. Set in a cold place to stiffen. Unmold and serve with plain or whipped cream or fruit sauce.

Relish Filling for Eight Sandwiches.
1-3 cup chopped pimento stuffed olives
1-4 cup chopped sweet pickles
1 teaspoon finely chopped onions
1 hard cooked egg, diced
1-4 teaspoon salt
1-3 cup salad dressing
Mix the ingredients and spread on buttered slices of white bread.

WILBARGER RURAL CLUB WOMEN ARE BUSY CANNING

Rural club women of Wilbarger County are busy this month canning. Miss Emma Gunter, county home demonstration agent, said today. Two recipes on cucumber pickles and string beans are specialty numbers made by rural women. The recipes follow:
Cucumber pickles.
1 cup of sugar,
1 cup of salt,
1 gallon of cider vinegar,
1 cup of mustard (if desired)
Spices.
Wash the cucumbers and dry. Put in a crock or churn and pour cold pickling mixture over cucumbers. Be sure to pack down and weigh down to keep all cucumbers under the brine. Fresh cucumbers can be put in from time to time. Pickles are ready in three or four days to eat. If you wish to can the pickles, pack in jars. Heat the pickling liquid to boiling and pour over the cucumbers and seal.
String beans (Canned the hot water method).
Wash the beans to remove the dirt through two waters. Snap and cut into inch or two inch lengths. Place in cheese cloth and blanch in boiling water 3 to 5 minutes depending upon size of beans. Pack in clean jars, putting in all the beans possible without crushing beans. Pack jars full. Place 1-2 teaspoon salt in pint jars and one teaspoon salt in quart jars, fill with hot water, and agitate the jar to expel all air. Place jars in processor and bring water to boiling regulate fire and keep water boiling moderately, 100 minutes for pints, two hours for quarts, and 40 minutes in pressure cooker at 10 pounds pressure. Remove the jars at the close of the processing period. Complete the seal immediately by punching the clamp down and set aside to cool. Avoid setting hot jars in metal pans or in air draughts.

Sixty Couples Attend College Homecoming Fete

About 60 couples of Vernon college students and guests from out-of-town attended the homecoming dance given by Hill Crest Country Club members Thursday evening at the club house, honoring the college students who are home for the summer vacation. The Florida Wolverines Orchestra furnished delightful music during the evening from 9:30 to 12:30 o'clock.

Guests from Wichita Falls, Quanah, Oklahoma towns, and other surrounding communities attended the affair with the Vernon students. The entertainment, which marked the opening of the season's social functions given by the Country Club, was given in the form of an informal open house. The official host and hostesses of the dance were: Mr. and Mrs. S. A. White, Mr. and Mrs. S. W. Bailey, Mr. and Mrs. Aubrey Lockett, Miss Elizabeth Hicks, Dixon Boger, Miss Martha Long, and Ambers Robinson.

MRS. STINNETT HONORS SON ON SEVENTH BIRTHDAY

Mrs. Porter Stinnett entertained a number of little guests Wednesday afternoon at her home, 715 Wilbarger Street, honoring her son, Porter Jr., on his seventh birthday. Mrs. Stinnett was assisted in entertaining by Mrs. S. E. Porterfield, Mrs. J. F. Roberts, Mrs. Jack Williams, and Mrs. T. J. McGill Jr.

After numerous games had been played and the many birthday gifts opened, refreshments of ice cream and angel food cake were served.

The guests were: Wilda Johnson, Sammie June Porterfield, Jo Ann Norwood, Mary Alice Johnson, Agalia Puckett, Lucy Kathryn Weath, Betty Ruth Berry, Dorothy and Inez Roberts, Celia Mathewson, Mildred Donges, Dan Chaney, Paul D. Chaney, Edward Birnbaum, Leon Birnbaum, Kenneth McGill, W. T. Berry, Jr., Thornton Lloyd, James Johnson, Clancey Gale Puckett, and the honoree, Porter Stinnett Jr.

Mrs. Hugh Nesbit Entertains With Party Thursday

Garden flowers of every hue were most artistically combined as a decoration for the home of Mrs. Hugh Nesbit on Yamparika Street, when she entertained a number of friends with a bridge party Thursday afternoon. A yellow and pink color scheme was featured in the appointments of the entertainment.

Games of bridge were played throughout the afternoon, after which a delicious salad and ice course was served. In the games, high score prize was awarded to Mrs. Innes McCrary, and low score prize went to Mrs. S. E. Smith.

Guests were: Mrs. J. F. Gregory, Mrs. Price Denny, Mrs. Anderson C. Smith, Mrs. Claude Hardison, Mrs. S. E. Smith, Mrs. Delbert Moore, Mrs. R. W. Abbott, Mrs. Leonard Smith, Mrs. Iver Carney, Mrs. O. T. Warlick, Mrs. Earle Norwood, Mrs. Innes McCrary, and the hostess, Mrs. Nesbit.

MISS WHEATLEY TO APPEAR ON KGKO RADIO PROGRAM

Miss Kathryn Wheatley of Vernon is scheduled to appear on the Saturday night program to be broadcast over radio station KGKO of Wichita Falls. Miss Wheatley will be heard in a number of voice selections during the hour from 7:30 to 8:30 o'clock.

Galloway, Parker, Teel, J. L. McCrary
Brock. Umpires—Robinson, Bridges

If there is such a thing as a baseball vendetta, Joe Martina probably has registered an official one against the Waco Cubs and their abbreviated orchard. For the second time in as many starts the New Orleans clam merchant dropped a heartbreaker in Katy Park. Only three Cubs solved Joe for a safety, but two of them happened to be George Blackberry and his boy friend, Jaul Johnson. Each hoisted one of Joe's fast balls beyond the centerfield barrier, and that was quite sufficient in view of the spacious day enjoyed by Earl Caldwell.

Gink Hendrick and Babe Herman, the world's worst fielders, drown out the ridicule with a constant rattle of base hits.

The Christian line-up may be as follows: Burgess, short stop; Wilkins, first base, Currin, second base; Shumaker, third base; Armor, center field; Gaudlin, right field; Phillips, left field. Manager McCaleb may present as starting line-up the following: Allison, center field; Welz, second base; Williams, first base; Christian, short stop; McCaleb, right field; Sewell, left field; third base. The Baptists clinched first honors for the first half Wednesday morning, when they defeated the Methodists 4 to 2, retaining a perfect record with four won in five starts. With only one more game to play, and that conceding a victory, there is no chance of being beaten to the honor or even tied. Until Wednesday the Methodists stood a slight chance to tie them for

The yo

Use Vernon Record want ads.

The Cubs were unable to reach a decision in their five-inning game against the Phillies. The score was 0 to 0 when rain fell. The Cardinal-Brave game at St. Louis was postponed altogether because of rain.

The old dazzer, Arthur C. Vance, made his first start since May 16, and the Reds would have been just as well pleased if he had postponed it a few more days. The Brooklyn star fanned only one but he gave Cincinnati just five hits and the Robins won by 2 to 1.

Milton Gaston added to the woes of

New York, June 14—The amateurs will be outnumbered more than seven to one when play in the national open golf championship begins at the winged foot club by Mamaronock, N. Y., on June 27 if there is no disposition to count them out because of that.

The field numbers 153, my eighteen of them amateurs, half in that dozen and a half are Boby Jones, George Elm and Halston Ralston; Jimmy Johnston. That is ought to give the rest of the field a run for its money even with all to country's greatest professionals ridy for the battle.

There will be the usual foreign flavor at winger foot but it willbe slight as to be almost non-existent Canada has two entrants in Glos Somerville, London, Ontario amateur James Macdonald, of Toronto. Canadain John Wyland, a pro from Scotland Jack White, another pl-

TRACK'S CONDITION MAKES
CLYDE VAN DUSEN
FAVORITE

Chicago, June 14.—(AP)—Another battle in the mud is the almost certain prospect for the \$50,000 American derby which will be decided among three-year-olds over a mile and a quarter at Washington Park tomorrow.

Three days and nights of heavy rain had churned the course into a quagmire and no amount of sunshine is likely to make it fast by post time.

The track's condition has made Clyde Van Dusen, which splashed through the mud to win the Kentucky derby, an overwhelming favorite.

Church Congress Here Draws 100 Negro Delegates

The third day of the Sunday School B. Y. P. U. congress of the West Texas negro churches closed Thursday night with a sermon by Rev. E. W. Whitfield, which a large crowd of white and colored attended.

B. Y. P. U. and departmental work discussions and talks were given on the program Thursday. Blackboard demonstrations were given Thursday morning in discussing Bible lessons by Mrs. M. Hodge and Rev. A. Lee.

Bible lessons, singing services, discussion of the pastor's work in the Sunday School by Rev. W. D. Davis, and a sermon by Rev. Whitfield were held this morning. Delegates to the congress who have continued to arrive during the opening days of the session were introduced this morning. About 100 delegates are present now.

Mrs. L. B. Dunson and children, Otis Dunson and family visited relatives in Chillicothe Sunday.

REPUBLICAN ANTI-SMITH VIRGINIA COMBINE LOOMS

Lexington, Va., June 14.—(P)—The possibility of a Republican-anti-Smith coalition in the Virginia state elections assumed more tangible form today with the definite announcement that Dr. William Moseley Brown, Washington and Lee University professor, would head a coalition ticket if nominated by both anti-Smith and Republicans.

Dr. Brown, mentioned frequently as a probable nominee for Governor at the anti-Smith convention in Roanoke next Tuesday, announced here last night he would become an independent candidate if he should be the choice of anti-Smith Democrats and of the Republicans.

PRE-CONVENTION DISPUTE HOVERS OVER BAPTISTS

Denver, Colo., June 14.—(P)—Whether a fundamentalist-modernist pre-convention row would break out on the floor of the northern Baptist convention at the opening session today depended on the tenor of addresses by the Rev. A. Avery Shaw, president of Dennison University, Grantville, O., and Bishop Francis John McConnell of the New York Area of the Methodist Episcopal Church, leaders of the two factions said.

The row flared up two days ago when nineteen ministers charged Bishop McConnell, president of the Federal council of Churches of Christ in America, with "modernism" and protested his selection as the keynote speaker of the convention.

Road Contracts To Be Let Now Near \$5,000,000

Austin, June 14.—(P)—Contracts to be awarded by state highway commissioners at their meeting June 25-26 today stood at approximately \$5,000,000 as a result of announcement of new projects amounting to \$1,465,000.

The most extensive improvement announced in the new list is the paving of 23.45 miles of concrete, with grading and drainage structures, on Highway 6 in Grayson County. Extending from the Collin County line north to Denison, the strip will cost \$680,000. Gibb Gilchrist, highway engineer, announced.

Bids also have been asked on a bridge across the Colorado River at Wharton on Highway 12. The cost has been estimated at \$240,000.

CURTISS-KEYS INTERESTS BUY PITCAIRN AVIATION

New York, June 14.—(P)—C. M. Keys, head of the Curtiss-Keys group of aviation interests, today announced the purchase of the entire capital stock of Pitcairn Aviation, Inc., which operates the air mail to the South.

DAWES AND M'DONALD MEETING HOLDS INTEREST

London, June 14.—(P)—The meeting in Scotland Sunday of General Charles G. Dawes, new American

ambassador, and Prime Minister Ramsay MacDonald continued today to absorb political circles.

In speculation as to its significance there was a note of wonder at various unconventional aspects of General Dawes' plan and at the rush he is exhibiting, hardly covered by ambassadorial precedent in this country.

YOUTH CONTENTS GIRL SHOT HERSELF TO DEATH

Independence, Kas., June 14.—(P)—Brought to Independence following his arrest at Bartlesville, Okla., Elmer Cales, 28, today reiterated his story that Marguerite White, 23, his motor-

ing companion, had shot and killed herself on a highway near her home at Caney, Kas.

The body of the young woman was found Wednesday night. She had died from a bullet wound in her breast. Cales was seen with the woman earlier in the evening.

"PRICES TALK" LEVINE'S

SOVIET STARTS HOSTILITIES AGAINST CHINA

Russian Troops Reported to Have Crossed Siberian Border and Established Outposts in Western Manchuria—Aid Being Rushed.

London, June 14.—(P)—A dispatch from Peking, China, to the Daily Express today said Soviet Russia had launched war movements against China. Soviet troops, were reported to have crossed the Siberian border and to have established outposts in Western Manchuria.

The dispatch said Soviet reinforcements were being pushed in special

trains over the trans-Siberian railway and that Chang Hsueh-Liang, who has ruled Manchuria since the death of his father, Chang Tso-Lin, had sent an urgent appeal to Nanking asking measures be taken to protect the territory.

The drastic measures were said to be in retaliation of raids by the Chinese Manchurian officials on Russian consulates at Harbin and other places on May 28, in the course of which Russian consular officers and others were arrested and a considerable quantity of alleged propaganda seized.

The dispatch to the Express said the central executive of the Kuomintang, governing Chinese party, had been convened hurriedly. Russian outposts were understood to have been established at Kharlar, northwestern Manchuria, east of Manchouli. Manchurian provincial troops were under arms at Algon or Heilunkiang, on the River Amur, near Blagoveshchensk, northeastern Manchuria, with others available at Kirin and Fengtien. Kharlar is on the railroad across Manchuria to Mukden and Dairen.

The Express dispatch concluded

that outer Mongolia—that is, that section of northern China contiguous to Siberia—might be considered diplomatically the ally of Russia, whose next move is given for recent raids on Soviet consulates is received and the ownership of the Chinese Eastern railway settled.

The Nanking Government was said to have been notified by its consuls in Russia that the consulates were surrounded by Russian troops.

QUANAH POSTAL RECEIPTS SHOW SLIGHT DECLINE

Quanah, June 14.—(P)—Post office receipts here this month are slightly lower than in May a year ago, according to Postmaster J. H. Wilson.

Receipts for May, 1928, were \$1,854 and for the month of May, 1929, were \$1,808. However, Mr. Wilson says the receipts are holding up remarkably well in view of conditions. The cotton crop for 1928, he pointed out, was about 50 per cent smaller than for the year 1927, when 49,000 bales were produced in Hardeman County. Last year the production was less than 25,000 bales, and consequently approximately \$2,500,000 less money was turned loose in the county for the cotton crop last year.

WORK ON HIGHWAY 28 TO BE STARTED IN 30 DAYS

Paving work on Highway 28 from Vernon to Crowell will probably begin in about 30 days it was learned today following the arrival here the

first of the week of a representative of the McClung Construction Company of Fort Worth. The contracts for the work in Wilbarger and Foard counties was awarded May 23. The viaduct of the Denver railroad on the Colorado-to-Gulf Highway between Vernon and Chillicothe will probably be opened in about 30 days. Half of the concrete has been poured and the remaining half will be completed next week.

A BLESSING TO TEXAS WOMAN

"My friends all tell me how much better I'm looking since I started taking Sargon. I've gained six pounds and feel better than for years."

MRS. C. E. ARMITAGE
"I suffered from stomach trouble and rheumatism. I could hardly eat a thing without it souring on my stomach and causing indigestion pains. My food wouldn't digest and sometimes I could taste the hot acids in my throat hours afterwards. I lost weight and became very nervous and depressed. My liver was inactive and I was badly constipated. I would ache all over and my fingers would get stiff and swollen. I was in a weak, run down condition."

"Sargon has done me more good than any medicine I've ever taken. I can no eat things I didn't dare touch before, without a sign of indigestion. My appetite is fine. I've gained weight and strength, and haven't had an attack of rheumatism since I began the Sargon treatment. I'm no longer nervous or depressed."

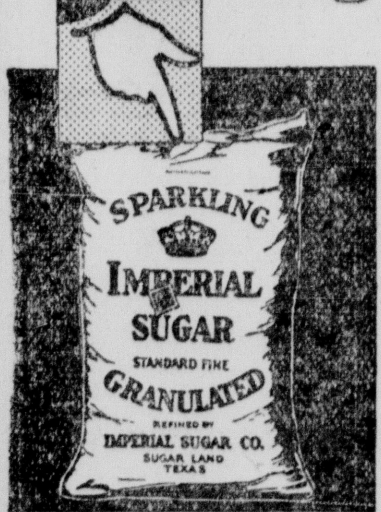

"Sargon Soft Mass Pills got my liver to working right and overcame my constipation in a gentle, natural way."

"This wonderful Sargon treatment has been a blessing to me and I only wish I had found it years ago. It's a pleasure to recommend it."

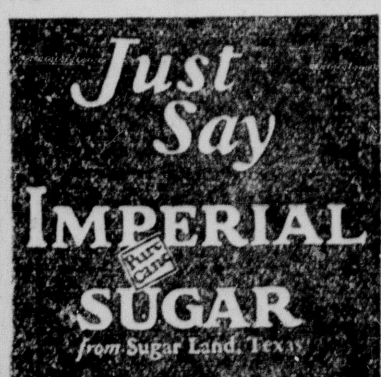

The above statement was made recently by Mrs. C. E. Armitage, highly respected resident of 621 Roosevelt Ave., San Antonio.

Sargon may be obtained in Vernon at Huber's City Drug Store; in Harrold at Oliver Drug Co. Adv.

THE VERNON DAILY RECORD

Published every afternoon except Sunday by The Vernon Record, Inc., 1531 Cumberland Street, Vernon, Texas.

R. H. NICHOLS, Editor and Manager
Entered as second class matter No. 1022, at the post office at Vernon, Texas, under the Act of March 1, 1879.

Subscribers desiring a change in address of their paper should be careful to give old as well as new address to insure prompt attention.

Subscription Rates:
Delivered by Carrier—\$3 per year, \$2.75 for six months, 50c per month; 15c per week, payable in advance.
Delivered by Mail—In Wilbarger, Hardeman and Floyd counties, \$5.00 per year, \$2 per six months, \$1.25 per three months, 10c per month. Anywhere else same as carrier rates.

Members of the Associated Press: The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited in this paper and also the local news published herein.

Notice to the Public:
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Record, will be gladly corrected when called to the attention of the editor.

THE IMPEACHMENT HEARING

With the first special session of the Forty-first Texas Legislature and its failure to accomplish much in the way of constructive legislation still fresh in the memory, many people of Texas doubtless view the opening of the House hearing on impeachment charges made against Land Commissioner J. T. Robison with apprehension and misgiving. This view need not necessarily be based on a friendly desire to save the Land Commissioner from whatever embarrassment that might be attached to an impeachment hearing.

If news dispatches from Austin may be relied upon to give an accurate representation of the Robison case, it is difficult to see how the most partisan can condone his policy and hold him absolutely without fault in the administration of his office. In fact a perusal of the reports, seemingly authentic since they were made after a fairly exhaustive study of the affairs of the land office, convinces one that the most surprising thing about the charges is that they have not been made earlier.

However, in the light of former impeachment proceedings, it is difficult to see where much is to be gained. It is doubtful that even if the Commissioner is found guilty of the charges his removal from the office, in the event that is done, would compensate for the time that must be consumed by the Legislature during the trial. It seems that if there is evidence that the Commissioner has actually defrauded the State the courts are the most logical place to seek redress. If no conviction in the courts can be anticipated it must be that in the main all the charges against Robison except perhaps those of general incompetence and negligence have little to support them. In that event, is it expedient to waste considerable time and money attempting to remove a person from office merely for incompetence and negligence when he will be forced to go before the people and seek their support at the polls in a year in order to retain his post. If this incompetence has not been of sufficient importance to make him legally responsible in the course of 21 years in which he has directed the affairs of the state land office, is it reasonable to expect that the state will suffer greatly during another year?

Frankly, under the existing circumstances, there is every reason to believe that Robison would be overwhelmingly defeated for the post he now holds were he to offer his candidacy to the people again, unless he should change his present policy of aloofness and take the people into his confidence and give them an accounting of his tenure of office that would answer all doubts. The people are not likely to return one to office who by inference denies the public the right to know what is being done in the administration of an office which it controls. Unless there is reason for court action, the Commissioner's case can safely be left to the people.

WELCOME EDITORS

It is Vernon's privilege for a short time today to be host to the members of the Texas Press Association. The enthusiasm with which the citizens of the town have entered into the preparations for the visit of the editors, although it was known from the first the visit would be a brief one, testifies eloquently of the sincere pleasure felt on the part of the hosts.

Vernon, as other smaller cities of Texas, because of limited services seldom is accorded the privilege of entertaining a state convention, so it is with unusual pleasure that the citizens welcome today's visitors who wield a more than ordinary influence in their respective cities.

As the editors have long ago learned in extending welcomes to visitors to their own cities, the key to a city is always available to be turned over to the guests, but in Vernon the key to the friendship of the citizens goes with it. A brief period is to be allowed for the members of the Texas Press Association to visit the

business houses of the city, and it is to be hoped that all will avail themselves of this opportunity as they will find a welcome that will undoubtedly make them glad that they made the trip to "The City Beautiful."

It should be noted that Vernon is to make no grand gesture of welcoming to the "gentlemen of the press." The people, represented by the Chamber of Commerce, have planned little in the way of a formal program. Instead they have made an honest effort to afford the visitors unrestrained enjoyment. All have entered into the planning with an enthusiasm and eagerness seldom seen and the local press can freely extend the welcome of the entire city.

Vernon hopes that the visit to this city will long be one of the most pleasant memories of the golden jubilee convention of the Texas Press Association.

GUYER.

Mr. and Mrs. T. M. McClendon and son, Jack, and Emil Kohler, visited in the Hinds community, Tuesday afternoon.

H. H. Haynes made a business trip to Wichita Falls Thursday.

Lloyd Vaughn spent the week-end with his grandmother, Mrs. Cora Vaughn, in the Baker community.

Mr. and Mrs. Herman Schultz, and children of Rayland, visited Mr. and Mrs. Calvin Vaughn, Sunday afternoon.

Mr. and Mrs. C. W. Stone spent Sunday with her sister, Mrs. Herbert King, at White City.

Mr. and Mrs. Stephen Davenport, and Mr. and Mrs. Sol Davenport of Lockett, visited Mr. and Mrs. E. P. Pulliam, Sunday afternoon.

Mr. and Mrs. J. L. McClendon and daughter of Electra, and Mrs. Bessie Gillispie, and children, of Harold, spent Sunday with their parents, Mr. and Mrs. T. M. McClendon.

Mr. and Mrs. Emil Kohler, visited in Electra Sunday afternoon.

Miss Mary Kohler, of Vernon is visiting her parents, Mr. and Mrs. Emil Kohler.

This community was visited by a torrential rain, Thursday, putting creeks out of banks and overflowing lowlands, causing cotton to be replanted.

LEGISLATION MARKS TIME

HOUSE IS OCCUPIED WITH ROBISON IMPEACHMENT HEARING

Austin, June 14.—(P)—Legislation today continued to mark time as the House, sitting as a committee of the whole, entered the second day of consideration of charges of impeachment against J. T. Robison, 68-year-old Commissioner of the Land Office.

As a committee, the House engaged attorneys to develop testimony concerning Robison's management, administration, collection and disbursement of the one cent an acre fund provided to pay expenses for reappraisal of the public lands under an act of 1925 and amended in 1926, acceptance of gifts, and differences with the Governor, Attorney

General and regents of the University of Texas as to the sale of mineral leases in University lands.

If testimony warrants, the aged officer will be cited to the Senate for trial on charges of impeachment.

Checks introduced at yesterday's hearing, signed by Robison and payable to physicians and in several instances to members of Robison's family, were said by his attorneys to be in keeping with the law which provided for an expense fund for reappraisal of certain state lands.

APACHE ORGANIZATION IS FORMED IN HOUSTON

Houston, June 14.—(P)—An organization modeled upon New York's Tammany Hall has been formed here. The name of the organization is "The Apaches," and its motto is "We Protect Our Own."

A charter recently was granted by the Secretary of State and the organization already has more than 400 members.

While the Apaches plan to swing their political tomahawks with deadly effect a holder of a public office

will be ineligible for membership and once one of their number is elected to office his connection with the organization is ended.

Whenever one of the Apaches gets sick the organization will give him relief and if he's jobless the Apaches will seek employment for him.

The organization later may be statewide.

IMPROPER SEX RELATIONS THREATENING HUMANITY

Sherman, Texas, June 14.—(P)—Improper sex relations threatening humanity, Dr. H. K. Taylor of Southern Methodist University, Dallas, told the North Texas Conference of the Epworth League here.

Dr. Taylor said the present generations never have been equalled for daring and ability. Then he denounced nudity, defining the modern flapper as "a girl dressed in modern style, taking advantage of the style to show herself off."

"I am not talking about bobbed hair nor even short skirts," he declared, "but the public exhibition of nudity which is producing the un-

heard of crimes against womanhood." He recommended two years of courtship before marriage, home weddings, joint social life for husband and wife, and going into debt to purchase a home as conducive to happy marriages.

Bathing and Melo just go together

Tug man, woman or child who bathes and doesn't use Melo to soften the water doesn't know what they are missing. Melo softens hard water. It makes a delightfully sudsy bath. It doesn't let the water form a dirty ring around the tub. That's good news to women who scrub off the dirty ring!

Water softened with Melo is a wonderful cleaner, with or without soap. Melo saves soap, too, from 1/3 to 1/2 the amount ordinarily used. It makes soap much more effective. Use it wherever you need soft water. Get it at your grocer's.

MELO
WATER SOFTENED WITH MELO IS A REMARKABLE CLEANER

INDIANS WILL JOIN IN JULY FOURTH CELEBRATION MARKING WILBARGER COUNTY PROGRESS

Baldwin Parker, son of Quanah Parker, well known Indian chief in the early history of this section will be in Vernon July Fourth for the old settlers' program in connection with the county-wide celebration, dedicating of the new public buildings, homecoming of the Vernon Chamber of Commerce airport, J. B. Lawson, chairman of the general program committee, said today. Mrs. Bertha Ross has been named chairman of the old settlers' program committee.

WICHITA MAN TALKS ABOUT HIS TROUBLE

Lost Steadily and Could Not Find Relief; Every Sign of Indigestion Is Gone After Taking Orgatone.

The remarkable experience of C. N. Ritter, residing at 2102 Kemp Boulevard, is another striking evidence of the extraordinary merits of Orgatone. In speaking of his long-time suffering from indigestion and headaches and subsequent relief, Mr. Ritter said:

"I am telling all my friends about Orgatone and all of my family are taking it after seeing what it has done for me."

"My trouble had been growing worse instead of better, all the time," he continued. "It was almost impossible for me to eat without suffering from gas and sour stomach afterwards. I began losing weight and had fallen off until I only weighed one hundred pounds, away below my weight, and could not find anything to relieve my pain or build me up."

"After I had suffered month after month without getting any better, someone gave a statement on Orgatone that convinced me and I started taking it. As I have said before, I have gained in health and strength and I haven't a sign of the old indigestion trouble since. I have taken Orgatone only a few weeks so far, but from the way I have improved already I am glad to recommend it to everybody."

Genuine Orgatone may be obtained in Vernon at the Vernon Drug Store.

prominently in the early history of this section of Texas. Parker will be accompanied here by his three sons.

The big celebration will be opened with a parade at 9 o'clock in the morning of Thursday, July 4, in which all communities in Wilbarger County have been asked to enter decorated floats or automobiles. Robert Sparks, manager of the Vernon Theater, is chairman of the parade committee. Prizes will be given for the best decorated vehicles entered.

Activities for the day include three dedication ceremonies, a big free barbecue at Allingham Park at 12 o'clock for all visitors and guests in Vernon on that day, three baseball games featuring five Wilbarger County community teams, a meeting of the Old Settlers Association of the county in the afternoon at the courthouse, and various athletic events including sack races, three-legged race, fat men's race, and lean men's race to be held in the afternoon.

The dedication of the Wilbarger County courthouse will be made at 10 o'clock, with a presentation speech by Judge J. V. Townsend. It will be formally accepted in a speech by a prominent citizen of the county. The dedication of the municipal building at 2 o'clock in the afternoon, and the dedication of the airport will be at 3 o'clock. Following the dedication ceremonies tours of inspection of the buildings will be conducted by officials. Mayor H. D. Hockersmith will present the municipal building, which will be received by some citizen, and the airport will be presented to the citizens by the Chamber of Commerce airport committee.

The first baseball game will be at 10 o'clock between the Fargo and Oklaunion teams. Phillips Petroleum team and Harrold will play at 2 o'clock.

Prizes will be awarded to the list of winners at the north entrance of the courthouse at 5:30 o'clock in the afternoon. The program will be continued at night but details have not been worked out.

Planes from Fort Sill, Oklahoma, Colorado Springs, Dallas, Fort Worth, Wichita Falls and other airports of Texas will be here for the dedication of the airport and will assist in the celebration during the day. Following the ceremony at the airport the first shipment of airmail will leave the Vernon airport. Approximately 1,000 letters have been received by the airport committee here to be sent out with the initial shipment.

THE STATE OF TEXAS

To the Sheriff or any Constable of Wilbarger County, Greeting:

You are hereby Commanded to cause to be published once each week for a period of twenty days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Wilbarger County, Texas, to-wit: same being an undivided one-eighth interest in the following described tract of land, to-wit:

"All that certain tract, lot or parcel of land lying and situated in the County of Wilbarger, State of Texas, known and described as and being a part of the W. B. Jordan Survey described by metes and bounds as follows, to-wit: Beginning at the S. W. corner of the 573.32 acre survey in the name of G. F. Tomlinson; thence North 18 West 1179 1-2 ft. to N. E. corner of a 75 1-2 acre survey made in the name of R. S. Butler; thence West 573 ft. to N. E. corner of a 10 acre survey known as A2; thence South 1460 1-2 ft. to a stake, the S. W. corner of this survey; thence being in South boundary line of said Butler survey; thence North 72 East with said South boundary line of Butler survey to place of beginning, being the same land conveyed by deed of K. S. Butler and wife A. J. Butler to Elsie Bright, recorded in Vol. 43, page 235 of the Deed Records of Wilbarger County, Texas, reference to which is here made for a further description," which will be heard at the next term of said Court, commencing on the First Monday in July A. D. 1929, the same being the First day of July, A. D. 1929, at the Court House thereof, in Vernon, Texas, at which time all persons interested in said estate are required to appear and show cause why such sale should not be made, should they choose to do so.

Herein Fail Not, but have you before said Court on the said first day of the next term thereof this Writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court at office in Vernon, Texas, this 7th day of June, A. D. 1929.

J. E. COLLINS, Clerk. County Court, Wilbarger County, Texas.

By ALICE GIBSON, Deputy.

French War Pilot Negotiating for Giant Airplane in United States to Fly Around World in Ten Days

By NEA Service.
Peoria, Ill., June 14 — Captain Jean Francis De Villard, one-time ace of the 44th Escadrille, has two major ambitions in aviation.

First, he wants to break the world's non-refueling endurance flight record.

Second, he wants to make a ten-day hop around the world in the largest airplane ever constructed.

Just now the captain is in Peoria, completing his plans to make both ambitions come true.

Some time in August he hopes to take off here in his giant ship, with gasoline aboard to keep it in the air for 100 hours. The present non-refueling endurance record is slightly over 65 hours, so he believes his mark, if he reaches it, will stand unbroken for a long time.

His ship will be a giant—a monoplane, all metal, resembling the Ford tri-motored commercial ships but much larger. Fully loaded, it will weigh 27,000 pounds, and it will have a wing spread of 110 feet.

After the endurance flight will

Captain Jean Francis De Villard came the round-the-world hop. Captain De Villard plans to carry 2,600 gallons of gasoline and eight passengers, including two co-pilots, a navigator, radio operator, newspaper reporter, photographer and a woman passenger.

gator, radio operator, newspaper reporter, photographer and a woman passenger.

His route, as tentatively planned, calls for a flight from Peoria to Portland, Ore. Thence he plans to make a 5,500-mile hop to Tokyo, London, and back across the Atlantic. The flight will cost over \$200,000, and money is now being raised in Peoria and nearby cities.

Although he has a French name and a French war record and saw service on both the Italian and Moroccan fronts, Captain De Villard was born in this country—Fordyce, Ark., to be exact. He has been flying since 1914 and has more than 4,000 hours in the air. He is not disturbed by the fact that many aeronautical experts say that a ship the size of the one he is building will be too unwieldy to fly successfully. Last year, he says, he built a ship with a 90-foot wing span, and it was not nearly large enough. The ship as planned will have a cruising speed of 115 miles per hour, and Captain De Villard is confident he can encircle the globe in less than a fortnight.

Jessie Frendiger returned home Sunday after spending the week with his sister, Mrs. B. G. Cloniger of Vernon.

Mr. and Mrs. John Webb of Vernon and Mr. and Mrs. Ira Younger of Rayland visited Mr. and Mrs. A. H. Martin Sunday.

G. O. P. REVOLT OVER TARIFF ROCKS HOUSE

Borah Gives New Cause for Concern When He Proposes to Limit Revision of Duties to Agricultural Commodities and Related Products.

Washington, June 14.—(AP)—A fresh revolt in Republican ranks in the Senate, directed against the tariff bill passed by the House, confronted Congress today as it settled down to work on the two principal recommendations of President Hoover to the extra session—tariff revision and farm relief—which alone remain to be acted upon.

Senator Borah of Idaho, who contended for the export debenture plan of farm relief in opposition to the President, gave his party leaders in the Senate new cause for concern today with his proposal to put the chamber on record for limitation of tariff revision to agricultural and related products.

The eleven Republican Senators on the finance committee already had defeated a similar motion by Senator King, Democrat, Utah, which won the support of the Democrats. It was then that Borah put the proposal before the Senate, and it was recognized as the principal issue before that chamber today with prospects of considerable support from Republican Independents and Democrats who lined up against the President on debentures.

Meanwhile, the farm relief measure was back in the hands of a joint conference committee today with the House on record for the first time on the export debenture provision which the Senate has twice insisted upon. But the House vote of 250 to 113 was so overwhelmingly against the debenture plan that many of its advocates in the Senate were ready to yield after perfunctory negotiations.

Enactment of the farm bill without the export debenture and in a form acceptable to the President by tomorrow night is now the objective of administration leaders. With that out of the way, they are ready to propose a recess until the Senate finance committee completes its work on the tariff bill, probably in August. President Hoover won and lost yesterday as Congress disposed of three other recommendations on his five-point program. The census-reapportionment bill embracing two of them, received final approval by the Senate, 48 to 37, and was sent to the White House. The Presidential proposal for suspension of the national origins immigration quota basis was rejected, 48 to 37, in the Senate.

BUILDING PROGRAM TO BE STARTED AT UNIVERSITY

Austin, Texas, June 14.—(AP)—Almost \$3,000,000 worth of new construction for the University of Texas will be started before the end of the present year. There will be seven projects, two of which are extensions of present buildings.

The institution's building fund is growing steadily as royalties from its wells in West Texas come in. Only the income from the fund created by oil can be used for buildings, however, else the more than \$10,000,000 now on hand could give the University one of the greatest plants in the nation.

Structures now under construction
